

## Define Scope & Structure

Align on goals, MVP vs. future-state features, and begin laying out core UI structure using the design system

This foundational work is expected to evolve—surface any early concerns to guide iteration effectively

## Collaborative Refinement

Model			Benchmark		
Market Cap	Large	Med	Large	Med	Small
Value	56	27	44	22	1
Blend	13	2	13	1	0
Growth	0	0	0	0	0

Model			Benchmark		
Market Cap	Large	Med	Large	Med	Small
Value	13	2	0	0	0
Blend	0	0	0	0	0
Growth	0	0	0	0	0

Work iteratively with product owners and subject matter experts to explore edge cases and validate user needs

## Validation & Dev-Ready

Deliver polished, implementation-ready designs with supporting documentation for smooth engineering collaboration

**app example**

**Viz View**

Large (1248)	Medium (768)	Small (480)
